HAPPY NEW YEAR TO OUR SHAREHOLDERS AND OTHER INVESTORS!

The directors of Canstar Resources are very pleased to start off the New Year with a clean slate.

With the long-running legal dispute over the Mary March property now behind us, we look forward to 2012 with a great deal of enthusiasm. Upon the completion of our recently announced financing, Canstar will be well-funded to resume comprehensive exploration on this highly prospective base and precious metals property.

We look forward to a very exciting and active New Year and will keep our shareholders and other investors apprised of our exploration results as they are received.

On behalf of the board of directors,

Harry J. Hodge, P. Eng.
Chairman,
Canstar Resources Inc.
