NOTICE OF ANNUAL GENERAL AND SPECIAL MEETING OF SHAREHOLDERS

NOTICE IS HEREBY GIVEN that an annual general and special meeting (the “**Meeting**”) of the holders (the “**Shareholders**”) of common shares of Canstar Resources Inc. (the “**Company**”) will be held at 18 King Street East, Suite 902, Toronto, Ontario M5C 1C4, on December 5, 2022 at 10:00 am (Eastern Standard Time) for the purpose of:

1. receiving the Company’s financial statements for the years ended June 30, 2022 and 2021 and the report of the auditors thereon;
2. electing directors of the Company for the ensuing year;
3. appointing MNP LLP as the auditors of the Company for the ensuing year, and authorizing the directors to fix their remuneration;
4. to consider, and if thought advisable, to approve an ordinary resolution approving the Company’s Stock Option Plan; and
5. transacting such further and other business as may properly come before the Meeting or any adjournment thereof.

The nature of the business to be transacted at the Meeting is described in further detail in the management information circular of the Company dated October 19, 2022 (the “**Circular**”). To be approved, each of the foregoing matters is required to be passed by an “**ordinary resolution**”, being a majority of the votes cast by Shareholders who voted in respect of that resolution at the Meeting.

The record date for the determination of Shareholders entitled to receive notice of, and to vote at, the Meeting or any adjournments or postponements thereof is October 17, 2022 (the “**Record Date**”). Shareholders whose names have been entered in the register of Shareholders at the close of business on the Record Date will be entitled to receive notice of, and to vote, at the Meeting or any adjournments or postponements thereof.

A Shareholder wishing to be represented by proxy at the meeting or any adjournment thereof must deposit his/her/its duly executed form of proxy with the Company’s transfer agent and registrar, TSX Trust Company (“**TSX Trust**”), at 301 – 100 Adelaide Street West, Toronto, Ontario M5H 4H1, by facsimile at (416) 595-9593 or online at <https://www.voteproxonline.com/pxlogin> not later than 10:00 a.m. (Toronto time) on December 1, 2022 or, if the meeting is adjourned, not later than 48 hours, excluding weekends and statutory holidays in the City of Toronto, Ontario, preceding the time of such adjourned meeting (the “**Proxy Deadline**”). Shareholders who are unable to attend the Meeting in person, are requested to date, complete, sign and return the form of proxy so that as large a representation as possible may be had at the Meeting.

Notice-and-Access

The Company is utilizing the notice-and-access mechanism (the “**Notice-and-Access Provisions**”) that came into effect on February 11, 2013 under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* and National Instrument 51-102 – *Continuous Disclosure Obligations*, for distribution of Meeting materials to registered and beneficial Shareholders.

Website Where Meeting Materials are Posted

The Notice-and-Access Provisions are a new set of rules that allow reporting issuers to post electronic versions of proxy-related materials (such as proxy circulars and annual financial statements) on-line, via the System for Electronic Document Analysis and Retrieval (“**SEDAR**”) and one other website, rather than mailing paper copies of such materials to Shareholders. Electronic copies of the Circular, financial statements of the Company for the years ended June 30, 2022

and 2021 (“**Financial Statements**”) and management’s discussion and analysis of the Company’s results of operations and financial condition for 2022 (“**MD&A**”) may be found on the Company’s SEDAR profile at www.sedar.com and also on the Company’s website at <https://www.canstarresources.com/investors/agm-materials/>. The Company will not use procedures known as “stratification” in relation to the use of Notice-and-Access Provisions. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of the Circular to some Shareholders with this notice package. In relation to the Meeting, all Shareholders will receive the required documentation under the Notice-and-Access Provisions, which will not include a paper copy of the Circular.

Obtaining Paper Copies of Materials

The Company anticipates that using notice-and-access for delivery to all Shareholders will directly benefit the Company through a substantial reduction in both postage and material costs, and also promote environmental responsibility by decreasing the large volume of paper documents generated by printing proxy-related materials. Shareholders with questions about notice-and-access can contact the Company’s transfer agent, TSX Trust, toll-free at +1 866 600-5869; T +1 416 342-1091, or by email at tsxtis@tmx.com. Shareholders may also obtain paper copies of the Circular, Financial Statements and MD&A free of charge by contacting the Company’s Corporate Secretary toll free at 1-888-372-2677. A request for paper copies which are required in advance of the Meeting should be sent so that they are received by the Company or TSX Trust, as applicable, by November 24, 2022 in order to allow sufficient time for Shareholders to receive the paper copies and to return their proxies or voting instruction forms to intermediaries not later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) prior to the time set for the Meeting or any adjournments or postponements thereof. Any requests for paper copies received by the Company after November 24, 2022 will be delivered to Shareholders in accordance with applicable securities law.

Voting

All Shareholders are invited to attend the Meeting and may attend in person or may be represented by proxy. A “beneficial” or “non-registered” Shareholder will not be recognized directly at the Meeting for the purposes of voting common shares registered in the name of his/her/its broker; however, a beneficial Shareholder may attend the Meeting as proxyholder for the registered Shareholder and vote the common shares in that capacity. Only Shareholders as of the Record Date are entitled to receive notice of and vote at the Meeting. Shareholders who are unable to attend the Meeting in person, or any adjournments or postponements thereof, are requested to complete, date and sign the form of proxy (registered holders) or voting instruction form (beneficial holders) and return it in the envelope provided.

To be effective, the form of proxy or voting instruction form must be submitted by facsimile at (416) 595-9593, online at <https://www.voteproxyonline.com/pxlogin> or mailed so as to reach or be deposited with TSX Trust (in the case of registered holders) at 301 – 100 Adelaide Street West, Toronto, Ontario M5H 4H1, prior to the Proxy Deadline, failing which such votes may not be counted, or your intermediary (in the case of beneficial holders) with sufficient time for them to file a proxy by the Proxy Deadline. **Shareholders are reminded to review the Circular before voting.**

In an effort to mitigate the risks associated with COVID-19, and to preserve the health and safety of our communities, shareholders, employees and other stakeholders, we are inviting Shareholders to attend via Zoom Meeting or conference call. Please contact info@canstarresources.com in advance of the Meeting to obtain the Zoom Meeting or conference line details (Meeting ID: 817 3925 6665; Passcode to be provided). Shareholders will have an equal opportunity to participate at the Meeting through this method regardless of their geographic location. We encourage Shareholders to not attend the meeting in person due to risks related to COVID-19. We will also take additional precautionary measures in relation to the physical Meeting, limiting access to essential personnel, registered Shareholders and proxy holders entitled to attend and vote at the Meeting. We highly recommend Shareholders vote their common shares prior to the Meeting.

DATED this 19th day of October, 2022.

MANAGEMENT INFORMATION CIRCULAR ANNUAL GENERAL AND SPECIAL MEETING OF SHAREHOLDERS

Canstar Resources Inc. (the “**Company**”) is utilizing the notice-and-access mechanism (the “**Notice-and-Access Provisions**”) that came into effect on February 11, 2013 under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) and National Instrument 51-102 – *Continuous Disclosure Obligations* (“**NI 51-102**”) for distribution of this management information circular (the “**Circular**”) to both registered and non-registered (or beneficial) holders (“**Shareholders**”) of common shares of the Company (“**Common Shares**”). Further information on notice-and-access is contained below under the heading *General Information Respecting the Meeting – Notice-and-Access* and Shareholders are encouraged to read this information for an explanation of their rights.

GENERAL INFORMATION RESPECTING THE MEETING

This Circular is furnished in connection with the solicitation by the management of the Company of proxies to be used at the annual general and special meeting (the “**Meeting**”) of shareholders (the “**Shareholders**”) of the Company, to be held at 18 King Street East, Suite 902, Toronto, Ontario M5C 1C4, on December 5, 2022 at 10:00 am (Eastern Standard Time), and at any adjournment thereof, for the purposes set forth in the attached notice of meeting of the Company.

Although it is expected that the solicitation of the proxies will be primarily by mail, proxies may also be solicited personally or by telephone or other similar means of communication by the directors and/or officers of the Company at nominal cost. The cost of solicitation will be borne by the Company. Directors, officers and employees of the Company will not receive any extra compensation for such activities.

In light of the global pandemic caused by COVID-19, the Company is inviting Shareholders to participate via Zoom Meeting or conference call. Please contact info@canstarresources.com in advance of the Meeting to obtain the Zoom Meeting or conference line details (Meeting ID: 817 3925 6665; Passcode to be provided). Shareholders will have an equal opportunity to participate at the Meeting through this method regardless of their geographic location. We encourage Shareholders to not attend the meeting in person due to risks related to COVID-19. We highly recommend Shareholders vote their Common Shares prior to the meeting.

In this Circular, unless otherwise indicated, all dollar amounts “\$” are expressed in Canadian dollars.

Notice and Access

As noted above, the Company is utilizing the Notice-and-Access Provisions that came into effect on February 11, 2013 under NI 54-101 and NI 51-102 for distribution of this Circular to all registered Shareholders and Beneficial Shareholders (as defined below).

The Notice-and-Access Provisions are a new set of rules that allow reporting issuers to post electronic versions of proxy-related materials (such as proxy circulars and annual financial statements) on-line, via the System for Electronic Document Analysis and Retrieval (“**SEDAR**”) and one other website, rather than mailing paper copies of such materials to Shareholders. Electronic copies of the Circular, financial statements of the Company for the year ended June 30, 2022 and 2021 (“**Financial Statements**”) and management’s discussion and analysis of the Company’s results of operations and financial condition for 2022 (“**MD&A**”) may be found on the Company’s SEDAR profile at www.sedar.com and also on the Company’s website at <https://www.canstarresources.com/investors/agm-materials/>. The Company will not use procedures known as “stratification” in relation to the use of Notice-and-Access Provisions.

Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of this Circular to some Shareholders with the notice package. In relation to the Meeting, all Shareholders will receive the required documentation under the Notice-and-Access Provisions, which will not include a paper copy of this Circular. **Shareholders are reminded to review this Circular before voting.**

Although this Circular, the Financial Statements and the MD&A will be posted electronically on-line as noted above, Shareholders will receive paper copies of a “notice package” via prepaid mail containing the Notice of Meeting with information prescribed by NI 54-101 and NI 51-102, a form of proxy or voting instruction form, and supplemental mail list return card for Shareholders to request they be included in the Company’s supplementary mailing list for receipt of the Company’s interim financial statements for the 2022 fiscal year.

The Company anticipates that notice-and-access will directly benefit the Company through a substantial reduction in both postage and material costs, and also promote environmental responsibility by decreasing the large volume of paper documents generated by printing proxy-related materials.

Shareholders with questions about notice-and-access can contact the Company’s transfer agent, TSX Trust Company Inc. (“**TSX Trust**”), toll-free at +1 866 600-5869; T +1 416 342-1091 or by email at tsxtis@tmx.com. Shareholders may also obtain paper copies of the Circular, Financial Statements and MD&A free of charge by contacting the Company’s Corporate Secretary toll free at 1.888.372.2677.

A request for paper copies which are required in advance of the Meeting should be sent so that they are received by the Company or TSX Trust, as applicable, by November 24, 2022 in order to allow sufficient time for Shareholders to receive their paper copies and to return their form of proxy to TSX Trust (in the case of registered Shareholders), or their voting instruction form to their intermediaries (in the case of Beneficial Shareholders, as such term is defined herein) by its due date. Any requests for paper copies received by the Company after November 24, 2022 will be delivered to Shareholders in accordance with applicable securities law.

APPOINTMENT, VOTING AND REVOCATION OF PROXIES

Appointment

The persons named in the form of proxy represent management of the Company. **Any Shareholder has the right to appoint a person (who need not be a Shareholder) other than the persons designated in the form of proxy to attend, vote and act for and on behalf of such person at the Meeting. In order to do so the Shareholder may insert the name of such person in the blank space provided in the form of proxy, or may use another proper form of proxy.** All proxies must be deposited with the Company’s registrar and transfer agent, TSX Trust Company Inc., at 301 – 100 Adelaide Street West, Toronto, Ontario M5H 4H1, by facsimile at (416) 595-9593 or online at <https://www.voteproxyonline.com/pxlogin> not later than 10:00 a.m. (Eastern Standard Time) on December 1, 2022, or if the Meeting is adjourned, not later than 48 hours (excluding Saturdays, Sundays and holidays) prior to the time of such adjourned Meeting. The Company may refuse to recognize any proxy received after such time. A proxy should be executed by the Shareholder or his or her attorney duly authorized in writing, or if the Shareholder is a corporation, by a duly authorized officer or attorney thereof.

Voting

Common Shares represented by any properly executed proxy in the form will be voted for or against, or withheld from voting, as the case may be, on any ballot that may be called for in accordance with the instructions given by the Shareholder. **In the absence of such instructions, the proxy will confer discretionary authority and will be voted FOR all matters set out herein.**

The form of proxy confers discretionary authority on the persons named in it with respect to amendments or variations to matters identified in the notice of meeting or other matters that may properly come before the Meeting. As of the date hereof, management of the Company is not aware of any such amendments, variations or other matters which may come before the Meeting. In the event that other matters come before the Meeting, then the management designees intend to vote in accordance with the judgment of management of the Company.

Revocation

In addition to revocation by any other manner permitted by law, a Shareholder may revoke a proxy before it is exercised by written instrument executed by the Shareholder (or by the Shareholder's attorney authorized in writing) and deposited at the registered offices of the Company at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof, or deposited with the Chairman of the Meeting prior to the commencement of the Meeting on the day thereof or any adjournment thereof.

A Shareholder attending the Meeting has the right to vote in person and, if he or she does so, his or her proxy is nullified with respect to the matters such person votes upon and any subsequent matters thereafter to be voted upon at the Meeting or any adjournment thereof.

ADVICE TO HOLDERS OF COMMON SHARES

Beneficial Shareholders

The information set forth in this section is of significant importance to many Shareholders, as a substantial number of Shareholders do not hold Common Shares in their own name. Shareholders who hold their Common Shares through their brokers, intermediaries, trustees or other persons, or who otherwise do not hold their Common Shares in their own name ("**Beneficial Shareholders**"), should note that only proxies deposited by Shareholders who appear on the records maintained by the Company's registrar and transfer agent as registered holders of Common Shares will be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Beneficial Shareholder by a broker, those Common Shares will in all likelihood not be registered in the Shareholder's name and will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name of CDS Clearing and Depository Services Inc. which acts as nominee for many Canadian brokerage firms). Common Shares held by brokers (or their agents or nominees) on behalf of a broker's client can only be voted (for or against resolutions) at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting Common Shares for the broker's clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.**

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of Shareholder meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The voting form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is substantially similar to the instrument of proxy provided directly to registered Shareholders by the Company. However, its purpose is limited to instructing the registered Shareholder (i.e., the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The vast majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in Canada. Broadridge typically prepares a machine-readable voting instruction form, mails those forms to Beneficial Shareholders, and asks them to return the forms to Broadridge or to otherwise communicate voting instructions to Broadridge (by way of the Internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge voting instruction form cannot use that form to vote Common Shares directly at the Meeting. The voting instruction forms must be returned to Broadridge (or instructions respecting the voting of Common Shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the Common Shares voted. If you have any questions regarding the voting of Common Shares held through a broker or other intermediary, please contact that broker or intermediary for assistance.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his or her broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered Shareholder and vote the Common Shares in that capacity. **Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered Shareholder should enter their own names in the blank space on the form of proxy provided to them and return same to their broker (or the broker's agent) in accordance with the instructions provided by such broker.**

Beneficial Shareholders fall into two categories: those who object to their identity being made known to the issuers of securities which they own (“**Objecting Beneficial Owners**” or “**OBOs**”) and those who do not object to their identity being made known to the issuers of the securities they own (“**Non-Objecting Beneficial Owners**” or “**NOBOs**”). Subject to the provisions of NI 54-101, issuers may request and obtain a list of their NOBOs from intermediaries. Pursuant to NI 54-101, issuers may obtain and use the NOBO list in connection with any matter relating to the affairs of the issuer, including the distribution of proxy-related materials directly to NOBOs. The Company is not sending Meeting materials directly to the NOBOs. The Company will use and pay intermediaries and agents to send the Meeting materials and also intends to pay for intermediaries to deliver the Meeting materials to the OBOs. **As more particularly outlined above under the heading “Notice-and-Access”, Meeting materials will be sent to Beneficial Shareholders using the Notice-and-Access Provisions.**

All references to Shareholders in this Circular and the form of proxy and notice of meeting are to registered Shareholders unless specifically stated otherwise.

Registered Shareholders

Registered holders of Common Shares shown on the Shareholders’ list prepared as of the Record Date (defined below) will be entitled to vote such Common Shares at the Meeting on the basis of one vote for each Common Share held.

Registered Shareholders may also, rather than returning by mail or hand delivery the form of proxy received from the Company, elect to submit a form of proxy by use of telephone or the Internet. Those registered holders electing to vote by telephone require a touch-tone telephone to transmit their voting preferences. Registered holders electing to vote by telephone or via the Internet must follow the instructions included in the form of proxy received from the Company.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

As at the date hereof the Company has 110,253,667 Common Shares issued and outstanding, each of which carries one vote. To the knowledge of the directors and executive officers of the Company, the only persons or corporations that beneficially own, or control or direct, directly or indirectly, Common Shares carrying 10% or more of the voting rights attached to all outstanding Common Shares as at the Record Date are:

Shareholder Name	Number of Common Shares Held ⁽¹⁾⁽²⁾	Percentage of Issued Common Shares
Eric Sprott	27,863,339 ⁽³⁾	25.27%

Notes:

- (1) *The information as to Common Shares beneficially owned, controlled or directed, not being within the knowledge of the Company, has been obtained by the Company from publicly disclosed information and/or furnished by the Shareholder listed above.*
- (2) *On a non-diluted basis.*
- (3) *All such Common shares are held by 2176423 Ontario Ltd., of which Mr. Sprott is the sole beneficial shareholder.*

Persons registered on the books of the Company at the close of business on October 17, 2022 (the “**Record Date**”) are entitled to vote at the Meeting.

MATTERS TO BE ACTED UPON AT THE MEETING

1. Receipt of Financial Statements

The audited financial statements of the Company for the fiscal years ended June 30, 2022 and 2021 and the report of the auditors thereon, both of which accompany this Circular, will be submitted to the Meeting. Receipt at the Meeting of the auditor’s report and the Company’s audited financial statements for the fiscal years ended June 30, 2022 and 2021 will not constitute approval or disapproval of any matters referred to therein.

2. Election of Directors

At the Meeting, the following five (5) persons named hereunder will be proposed for election as directors of the Company. Management does not contemplate that any of the nominees will be unable to serve as a director, but if that should occur for any reason prior to the Meeting, it is intended that discretionary authority shall be exercised by the persons named in the accompanying proxy to vote the proxy for the election of any other person or persons in place of any nominee or nominees unable to serve. Each director elected will hold office until the close of the next annual meeting of Shareholders, or until his successor is duly elected unless prior thereto he resigns or his office becomes vacant by reason of death or other cause.

Shareholders have the option to (i) vote for all of the directors of the Company listed in the table below; (ii) vote for some of the directors and withhold for others; or (iii) withhold for all of the directors. **Unless the Shareholder has specifically instructed in the enclosed form of proxy that the Common Shares represented by such proxy are to be withheld or voted otherwise, the persons named in the accompanying proxy will vote FOR the election of each of the proposed nominees set forth below as directors of the Company.**

Pursuant to the advance notice provisions contained in the By-laws of the Company (the “**Advance Notice Provisions**”), notice of nomination of persons to the Board require advance notice be given to the Company in circumstances where nomination of persons for election to the Board are made by Shareholders. The Advance Notice Provisions set a deadline by which Shareholders must submit nominations (a “**Notice**”) for the election of directors to the Board prior to any annual or special meeting of Shareholders at which directors will be nominated for election. The Advance Notice Provisions also set forth the information that a Shareholder must include in the Notice to the Company and establishes the form that Shareholders must submit the Notice for the Notice to be in proper written form. In the case of an annual meeting of Shareholders, a Notice must be provided to the Company not less than 30 days and not more than 65 days prior to the date of the annual meeting.

The purpose of the Advance Notice Provisions is to: (i) ensure that all Shareholders receive adequate notice of director nominations and sufficient time and information with respect to all nominees to make appropriate deliberations and register an informed vote; and (ii) facilitate an orderly and efficient process for annual, or where the need arises, special meetings of Shareholders.

The foregoing is intended to be a summary of the Advance Notice Provisions and is qualified in its entirety by the Company’s By-laws. Shareholders can access the Company’s By-laws by visiting the Corporation’s profile on SEDAR at www.sedar.com. As of the date of this Circular, the Company has not received notice of a nomination in compliance with the Advance Notice Provisions.

The following table, among other things, sets forth the name of all persons proposed to be nominated for election as directors, their place of residence, position held, and periods of service with, the Company, or any of its affiliates, their principal occupations and the approximate number of Common Shares beneficially owned, controlled or directed, directly or indirectly, by them:

No individual set forth in the above table (or any personal holding company of any such individual) is, as of the date of this Circular, or has been within ten (10) years before the date of this Circular, a director or executive officer of any company (including the Company) that, while such individual was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

3. Appointment of Auditors

Shareholders will be asked to consider and, if thought advisable, to pass an ordinary resolution to re-appoint MNP LLP, Chartered Accountants, to serve as auditors of the Company until the next annual meeting of Shareholders and to authorize the directors of the Company to fix their remuneration as such.

Unless a Shareholder directs that his or her Common Shares are to be withheld from voting in connection with the appointment of auditors, the persons named in the form of proxy intend to vote FOR the re-appointment of MNP LLP, Chartered Accountants as the auditors of the Company until the next annual meeting of Shareholders, and to authorize the directors to fix their remuneration.

4. Approval of Stock Option Plan

The Company maintained a fixed number share incentive plan, which was approved by Shareholders on November 14, 2005 and amended on December 15, 2005, December 21, 2012 and December 11, 2014. At the meeting of the Shareholders of the Company held on December 17, 2018 the Shareholders approved a new share incentive plan.

The TSX Venture Exchange (the “**TSX-V**”) requires that all listed companies with a 10% rolling stock option plan must receive shareholder approval of such a plan at the time the plan is to be implemented and every year thereafter seek reapproval. The Company’s share incentive plan (the “**Stock Option Plan**”) is a rolling stock option plan that sets the number of Common Shares issuable thereunder at a maximum of 10% of the Common Shares issued and outstanding at the time of any grant. Additionally, the TSX-V adopted Policy 4.4 - *Security Based Compensation* (the “**New Policy**”) on November 24, 2021 to replace the former Policy 4.4 — *Incentive Stock Options*. Certain amendments were made to the Stock Option Plan to bring the Stock Option Plan into conformance with the New Policy. The amendments to the Stock Option Plan were adopted by the directors of the Company on October 19th, 2022 and at the Meeting, Shareholders will be asked to vote on a resolution to approve the Stock Option Plan for the ensuing year.

The Stock Option Plan provides that the Board of the Company may from time to time, in its discretion, grant to directors, officers, employees and consultants of the Company, or any subsidiary of the Company, the option to purchase common shares. The Stock Option Plan provides for a floating maximum limit of 10% of the outstanding Common Shares as permitted by the policies of the TSX-V. As at the date hereof, this represents 11,025,366 options to purchase Common Shares available under the Stock Option Plan.

Outstanding options to purchase a total of 8,500,000 Common Shares have been issued to directors, officers, employees and consultants of the Company and remain outstanding. As at the date hereof, the number of options to purchase Common Shares remaining available for issuance under the Stock Option Plan is 2,525,366.

For a summary of the material terms of the Stock Option Plan, see “*Compensation – Compensation Discussion and Analysis – Option Based Compensation*”.

The full text of the Stock Option Plan is attached hereto as Appendix “B”.

Shareholder Approval for the Stock Option Plan

Shareholders will be asked to consider and, if deemed advisable, to pass an ordinary resolution approving the Stock Option Plan (the “**Stock Option Plan Resolution**”), which, to be effective, must be passed by not less than a majority of the votes cast by the holders of Common Shares present in person, or represented by proxy, at the Meeting.

The Board recommends that Shareholders vote FOR the Stock Option Plan Resolution. Unless the Shareholder has specifically instructed in the form of proxy or voting instruction form that the Common Shares represented by such proxy or voting instruction form are to be voted against the Stock Option Plan Resolution, the persons named in the proxy or voting instruction form will vote FOR the Stock Option Plan Resolution.

5. Other Matters That May Come Before the Meeting

Management of the Company knows of no matters to come before the Meeting other than as set forth above. However, if other matters which are not known to management should properly come before the Meeting, the form of proxy will be voted on such matters in accordance with the best judgment of the person(s) voting the proxy.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The purpose of this Compensation Discussion and Analysis is to provide information about the Company’s executive compensation philosophy, objectives, and processes and to discuss compensation decisions relating to the Company’s Chief Executive Officer, Chief Financial Officer, and, if applicable, its three (3) most highly compensated individuals acting as, or in a like capacity as, executive officers of the Company whose total compensation for the most recently completed financial year was individually equal to more than \$150,000 (the “**NEOs**” or “**Named Executive Officers**”). During the Company’s most recently completed financial year, being the financial year ended June 30, 2022 the only NEOs during the last financial year were Robert Bruggeman, President, Chief Executive Officer and Director and John E. Hurley, Chief Financial Officer.

Compensation Committee

The Compensation Committee of the Board is responsible for ensuring that the Company has in place an appropriate plan for executive compensation, and for making recommendations to the Board with respect to the compensation of the Company’s executive officers. The Compensation Committee ensures that the total compensation paid to the Company’s NEOs is fair, reasonable, and consistent with the Company’s compensation philosophy. For more information on the Compensation Committee, see “*Corporate Governance Practices – Compensation Committee*”.

Compensation plays an important role in achieving short and long term business objectives that ultimately drive business success. The Company’s compensation philosophy is to foster entrepreneurship at all levels of the organization through, among other things, the granting of stock options as a significant component of executive compensation. This approach is based on the assumption that the performance of the Common Share price over the long term is an important indicator of long term performance.

The Company’s compensation philosophy is based on the following fundamental principles:

1. *Compensation programs align with Shareholder interests* – the Company aligns the goals of executive officers with maximizing long term Shareholder value;
2. *Performance-sensitive* – compensation for executive officers should be linked to the operating and market performance of the Company and should fluctuate with performance; and
3. *Offer market-competitive compensation to attract and retain talent* – the compensation program should provide market-competitive pay in terms of value and structure in order to retain existing employees who are performing according to their objectives, and to attract new individuals of the highest calibre.

The objectives of the compensation program in compensating NEOs were developed based on the above-mentioned compensation philosophy and are as follows:

- to attract and retain highly qualified executive officers;
- to align the interests of executive officers with Shareholders' interests and with the execution of the Company's business strategy;
- to evaluate performance on the basis of key measurements that correlate to long term Shareholder value; and
- to tie compensation directly to those measurements and rewards based on achieving and exceeding predetermined objectives.

Competitive Compensation

Aggregate compensation for NEOs is designed to be competitive. The Compensation Committee reviews compensation practices of similarly situated companies in determining compensation policy. Although the Compensation Committee reviews each element of compensation for market competitiveness, and it may weigh a particular element more heavily based on a NEO's role within the Company, it is primarily focused on remaining competitive in the market with respect to total compensation.

Prior to making its decisions, the Compensation Committee reviews data related to compensation levels and programs of various companies that are similar in size to the Company and that operate within the mining exploration and development industry. These companies are used as the Company's primary peer group because they have similar business characteristics or because they compete with the Company for employees and investors. The Compensation Committee also relies on the experience of its members as officers and/or directors of other companies in similar lines of business as the Company when assessing compensation levels. These other companies are identified under the heading "*Corporate Governance Practices – Directorships*".

The purpose of this process is to:

- understand the competitiveness of current pay levels for each executive position relative to companies with similar revenues and business characteristics;
- identify and understand any gaps that may exist between actual compensation levels and market compensation levels; and
- establish a basis for developing salary adjustments and short term and long term incentive awards for the Compensation Committee's approval.

Aligning the Interests of NEOs with the Interests of the Company's Shareholders

The Company believes that transparent, objective and easily verified corporate goals, combined with individual performance goals, play an important role in creating and maintaining an effective compensation strategy for NEOs. The Company's objective is to establish benchmarks and targets for NEOs which, if achieved, will enhance Shareholder value.

A combination of fixed and variable compensation is used to motivate executive officers to achieve overall corporate goals. For the 2022 financial year, the three basic components of executive compensation were:

- fixed (base) salary;
- annual incentives (cash bonus); and
- option-based compensation.

Fixed salary comprises a portion of the total cash-based compensation; however, annual incentives and option-based compensation represent compensation that is “at risk” and thus may or may not be paid to the respective executive officer depending on: (i) whether the executive officer is able to meet or exceed his or her applicable performance targets; and (ii) the market performance of the Common Shares. To date, no specific formulae have been developed to assign a specific weighing to each of these components. Instead, the Board considers each performance target and the Company’s performance and assigns compensation based on this assessment and the recommendations of the Compensation Committee.

The Compensation Committee is responsible for considering, establishing and reviewing executive compensation programs, and whether the programs encourage unnecessary or excessive risk taking. The Company believes the programs are balanced and do not motivate unnecessary or excessive risk taking. The Company’s securities trading policy prohibits directors or NEOs from purchasing financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of equity. To the knowledge of the Company as of the date of hereof, no director or NEO of the Company has participated in the purchase of such financial instruments.

Base Salary

The Compensation Committee and the Board approve salary ranges for the NEOs. The base salary review for NEOs is based on an assessment of factors such as current competitive market conditions, compensation levels within the peer group, and particular skills such as leadership ability and management effectiveness, experience, responsibility, and proven or expected performance. Comparative data for the Company’s peer group is also accumulated from a number of external sources including independent consultants. The Company’s policy for determining salary for executive officers is consistent with the administration of salaries for all other employees. Robert Bruggeman is the only NEO that receives a base salary. See “*EXECUTIVE COMPENSATION – Summary Compensation Table for NEOs*” for details.

Annual Incentives

The Company is not currently awarding any annual incentives by way of cash bonuses. However, the Company, in its discretion, may award such incentives in order to motivate executive officers to achieve short term corporate goals. The Compensation Committee and the Board will approve any annual incentives.

The success of a NEO in achieving his individual objectives and his contribution to the Company in reaching its overall goals are factors in the determination of that NEO’s annual bonus. The Compensation Committee assesses a NEO’s performance on the basis of his contribution to the achievement of predetermined corporate objectives, as well as to needs of the Company that arise on a day-to-day basis. This assessment is used by the Compensation Committee in developing its recommendations to the Board with respect to the determination of annual bonuses for the NEOs. Where the Compensation Committee cannot unanimously agree, the matter is referred to the full Board for decision. The Board relies heavily on the recommendations of the Compensation Committee in granting annual incentives.

The Board approves targeted amounts of annual incentives for NEOs at the beginning of each financial year. The targeted amounts are determined by the Compensation Committee based on a number of factors, including comparable compensation at similar companies.

Achieving predetermined individual and/or corporate targets and objectives, as well as general performance in day-to-day corporate activities, will trigger the award of a bonus payment to the NEOs. NEOs will receive a partial or full incentive payment depending on the number of predetermined targets met and the Compensation Committee’s and Board’s assessment of overall performance. The determination as to whether a target has been met is ultimately made by the Board and it reserves the right to make positive or negative adjustments to any bonus payment if considered appropriate.

Option-Based Compensation

The Company currently has no long term incentive plans other than stock options granted from time to time by the Board under the provisions of the Company’s existing incentive Stock Option Plan. The Shareholders first

approved the existing incentive stock option plan at the annual general and special meeting of Shareholders held on December 17, 2018. At the Meeting, Shareholders will be asked to approve the amended Stock Option Plan. The purpose of the Stock Option Plan is to encourage Common Share ownership by directors, officers, employees and consultants of the Company and its affiliates, and by other designated persons. The Compensation Committee believes that the Stock Option Plan aligns the interests of NEOs with those of Shareholders by linking a component of executive compensation to the longer term performance of the Common Shares. Eligibility for participation in the Stock Option Plan is restricted to directors, officers, employees and consultants of the Company and its affiliates, and to other designated persons.

The following is a summary of the material terms of the Stock Option Plan (any terms not defined herein have the meaning defined in the Stock Option Plan):

- (a) The aggregate maximum number of Common Shares available for issuance from treasury under the Stock Option Plan at any given time is 10% of the outstanding Common Shares as at the date of grant of an Option under the Stock Option Plan. The Stock Option Plan provides for a floating maximum limit of 10% of the outstanding Common Shares as permitted by the policies of the TSX-V. As at the date hereof, this represents 11,025,366 options to purchase Common Shares available under the Stock Option Plan. Outstanding options to purchase a total of 8,500,000 Common Shares have been issued to directors, officers, employees and consultants of the Company and remain outstanding. As at the date hereof, the number of options to purchase Common Shares remaining available for issuance under the Stock Option Plan is 2,525,366.
- (b) No Options shall be granted to any Participant if such grant could result, at any time, in:
 - (i) the issuance of any one individual, within a one-year period, of a number of Common Shares exceeding 5% of the issued and outstanding Common Shares;
 - (ii) the issuance to any one consultant, within any 12-month period, of a number of Common Shares exceeding 2% of the issued and outstanding Common Shares; and
 - (iii) the issuance to employees conducting investor relations activities, within any 12 month period, of an aggregate number of Common Shares exceeding 2% of the issued and outstanding Common Shares;unless permitted otherwise by any applicable stock exchange.
- (c) Disinterested Shareholder Approval is required for the following:
 - (i) any individual stock option grant that would result in the grant to Insiders (as a group), within a 12-month period, of an aggregate number of options exceeding 10% of the issued Common Shares at any point in time;
 - (ii) any individual stock option grant that would result in the grant to Insiders (as a group), within a 12-month period, of an aggregate number of options exceeding 10% of the issued Common Shares, calculated on the date an option is granted to any Insider; and
 - (iii) any individual stock option grant that would result in the number of Common Shares issued to any individual in any 12-month period under this Plan exceeding 5% of the issued Common Shares, less the aggregate number of shares reserved for issuance or issuable under any other Share Compensation Arrangement of the Company.
- (d) The term of an Option shall not exceed 10 years from the date of grant of the option.
- (e) An Option shall vest and may be exercised in whole or in part at any time during the term of such Option after the date of the grant as determined by the Board, subject to extension where the expiry date falls within a Blackout Period.

- (f) Options may be granted by the Company pursuant to the recommendations of the Board or a committee appointed to administer the Stock Option Plan from time to time provided and to the extent that such decisions are approved by the Board.
- (g) Options shall not be transferable or assignable by the Participant otherwise than by will or the laws of descent and distribution, and shall be exercisable during the lifetime of a Participant only by the Participant and after death only by the Participant's legal representative.
- (h) If a Participant who is a non-executive director of the Company ceases to be an Eligible Person as a result of his or her retirement from the Board, each unvested Option held by such Participant shall automatically vest on the date of his or her retirement from the Board, and thereafter each vested Option held by such Participant will cease to be exercisable on the earlier of the original Expiry Date of the Option and one year after the date of his or her retirement from the Board
- (i) If a Participant ceases to be an Eligible Person for any reason whatsoever, other than under an exception under the Stock Option Plan, each vested Option held by the Participant will cease to be exercisable on the earlier of the original Expiry Date of the Option and 6 months after the Termination Date; provided that all unvested Options held by such Participant shall automatically terminate and become void on the Termination Date of such Participant.
- (j) If a Participant dies, the legal representative of the Participant may exercise the Participant's vested Options for a period until the earlier of the original Expiry Date of the Option and 12 months after the date of the Participant's death, but only to the extent the Options were by their terms exercisable on the date of death.
- (k) The exercise price of any option granted under the Stock Option Plan may not be less than fair market value (e.g. the prevailing market price) of the Common Shares at the time the option is granted, less any permitted discount.
- (l) The options are subject to early termination upon the termination of the optionee's employment, the optionee ceasing to be a director and/or officer of the Company, or the retirement, permanent disability or death of the optionee.
- (m) In the event of a change of control event, the Board may accelerate Options granted to Participants, subject to that there may be no acceleration of the vesting requirements applicable to Options granted to persons conducting investor relations activities unless the prior written approval of the TSX-V has been obtained.
- (n) In lieu of the exercise price of each Common Share underlying an Option being paid in cash, the Option may be exercised, except Options granted to persons performing investor relations activities, at the discretion of the Option holder and only with the written permission of the Board and as permitted by the policies of the TSX-V, by a net exercise whereby the Option holder will receive only the number of Common Shares underlying the Option that is the equal to the quotient obtained by dividing: (a) the product of the number of Options being exercised multiplied by the difference between the VWAP of the underlying Common Shares and the exercise price of the subject Options by, (b) the VWAP of the underlying Common Shares.

Compensation Risk Considerations

The Compensation Committee is responsible for considering, establishing and reviewing executive compensation programs, and whether the programs encourage unnecessary or excessive risk taking. The Company believes the programs are balanced and do not motivate unnecessary or excessive risk taking. The Company's securities trading policy prohibits directors or NEOs from purchasing financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of equity. To the knowledge of the Company, as of the date of hereof, no NEO or director of the Company has participated in the purchase of such financial instruments.

Base salaries, if any, are fixed in amount thus do not encourage risk taking. While annual incentive awards focus on the achievement of short term or annual goals and short-term goals may encourage the taking of short-term risks at the expense of long term results, the Company's annual incentive award program does not represent a significant percentage of employee's potential compensation opportunities. Annual incentive awards are based on various personal and company-wide achievements. Such performance goals are subjective and include achieving individual and/or corporate targets and objectives, as well as general performance in day-to-day corporate activities which would trigger the award of a bonus payment to the NEO. The determination as to whether a target has been met is ultimately made by the Board (after receiving recommendations of the Compensation Committee) and the Board reserves the right to make positive or negative adjustments to any bonus payment if they consider them to be appropriate. Funding of the annual incentive awards is capped at the company level and the distribution of funds to the executive officers is at the discretion of the Compensation Committee.

Stock option awards are important to further align employees' interests with those of the Shareholders. The ultimate value of the awards is tied to the Company's stock price and since awards are staggered and subject to long-term vesting schedules, they help ensure that NEOs have significant value tied in long-term stock price performance.

Notes:

- (1) Grant date fair value calculations are based on the Black-Scholes Option Pricing Model. Option-pricing models require the use of highly subjective estimates and assumptions including expected share price volatility. Changes in the underlying assumptions can materially affect the fair value estimates and therefore, in management's opinion, existing models do not necessarily provide a reliable measure of the fair value of the Company's option-based awards.
- (2) The fair value of these options at the date of grant was estimated using the Black-Scholes option pricing model with the following assumptions: 5 year expected term; 160% expected volatility; risk-free interest rate of 0.35% per annum; and an expected dividend yield of 0%.
- (3) The fair value of these options at the date of grant was estimated using the Black-Scholes option pricing model with the following assumptions: 5 year expected term; 155% expected volatility; risk-free interest rate of 1.31% per annum; and an expected dividend yield of 0%.

Pursuant to a consulting agreement between the Company and Robert Bruggeman dated January 6, 2022 (the "**Consulting Agreement**"), the Company engaged Mr. Bruggeman to provide the services of President and Chief Executive Officer of the Company. The Consulting Agreement replaced and superseded a consulting agreement between the Company, Mr. Bruggeman, and Alpha Advisory Services Inc, dated September 15, 2020 (the "**Prior Consulting Agreement**"), whereby Mr. Bruggeman provided his services as President and Chief Executive Officer of the Company. The Prior Consulting Agreement was terminated on January 5, 2022 with mutual agreement by all parties. CORPORATE GOVERNANCE PRACTICES

The Board and senior management of the Company consider good corporate governance to be central to the effective and efficient operation of the Company. The Board has confirmed the strategic objective of the Company as seeking out and exploring mineral bearing deposits with the intention of developing and mining the deposit or proving the feasibility of mining deposits for others.

The description of the Company's current corporate governance practices is provided in accordance with Form 58-101F2 of National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”). Such practices were established in light of the guidelines set out in National Policy 58-201 – *Corporate Governance Guidelines* (“**NP 58-201**”), as adapted by the Company given its current stage of development.

Board of Directors

NI 58-101 defines an “independent director” as a director who has no direct or indirect “material relationship” with the issuer. A “material relationship” is as a relationship which, in the view of the Board, could reasonably be expected to interfere with the exercise of a member's independent judgment.

The Board is currently comprised of five (5) directors, namely Robert Bruggeman, Sam Leung, James Clare, Neil Burns and Jacqueline Allison, each of whom will be nominated for re-election at the Meeting. Of the nominees, Robert Bruggeman is not considered independent within the meaning of NI 58-101. Mr. Bruggeman is the President and CEO of the Company. Orientation and Continuing Education

The Board, together with the Nominating and Corporate Governance Committee (the “**Nominating Committee**”), is responsible for providing a comprehensive orientation and education program for new directors which fully sets out:

- the role of the Board and its committees;
- the nature and operation of the business of the Company; and
- the contribution which individual directors are expected to make to the Board in terms of both time and resource commitments.

In addition the Board, together with the Nominating Committee, is also responsible for providing continuing education opportunities to existing directors so that they can maintain and enhance their abilities and ensure that their knowledge of the business of the Company remains current.

Ethical Business Conduct

The Board has adopted a written code of business conduct and ethics (the “**Code of Conduct**”) to encourage and promote a culture of ethical business conduct amongst the directors, officers and employees of the Company. The Board is responsible for ensuring compliance with the Code of Conduct, copies of which are available upon written request from the Chief Executive Officer of the Company. The Code of Conduct was adopted in November 2012 and there have been no departures from the Code of Conduct since its adoption.

In addition to those matters which, by law, must be approved by the Board, its approval is required for:

- the Company’s annual business plan and budget;
- material transactions not in the ordinary course of business; and
- transactions which are outside of the Company’s existing business.

To ensure the directors exercise independent judgment in considering transactions and agreements in which a director or officer has a material interest, all such matters are considered and approved by the independent directors. Any interested director would be required to declare the nature and extent of his interest and would not be entitled to vote at meetings of directors which evoke such a conflict.

The Company believes that it has adopted corporate governance procedures and policies which encourage ethical behavior by its directors, officers and employees.

Nomination of Directors

The Nominating Committee is composed of James Clare (Chair), Sam Leung and Robert Bruggeman. Messieurs Clare and Leung are considered independent (as defined in NI 52-110). Mr. Bruggeman, as the President and CEO of the Company, is not considered independent (as defined in NI 52-110). The Nominating Committee is responsible for the appointment and assessment of directors. The Nominating Committee seeks to achieve a balance of knowledge, experience and capability among the members of the Board. When considering candidates for director, the Nominating Committee takes into account a number of factors, including the following (although candidates need not possess all of the following characteristics and not all factors are weighted equally):

- personal qualities and characteristics, accomplishments, and reputation in the business community;
- current knowledge and contacts in the countries and/or communities in which the Company does business and in the Company’s industry sectors or other industries relevant to its business; and
- ability and willingness to commit adequate time to the Board and committee matters, and to be responsive to the needs of the Company.

The Board will periodically assess the appropriate number of directors and whether any vacancies on the Board are expected due to retirement or otherwise. If vacancies are anticipated or otherwise arise, or the size of the Board is expanded, the Nominating Committee will consider various potential candidates for director. Candidates may come to the attention of the Nominating Committee through current directors or management, Shareholders or other persons. These candidates will be evaluated at a meeting of the Nominating Committee and may be considered at any point during the year.

Compensation Committee

The Compensation Committee is composed of Sam Leung (Chair), Jacqueline Allison and Neil Burns. All members of the Compensation Committee are considered independent (as defined in NI 52-110). All members of the Compensation Committee have direct experience with respect to executive compensation issues by virtue of their positions as officers and/or directors of various other businesses and publicly-traded companies, and as such they possess skills and experience that enable the Compensation Committee to make decisions on the suitability of the Company’s compensation policies and practices.

The Compensation Committee assists the Board in its oversight role with respect to (i) the Company's human resource strategy, policies and programs, and (ii) all matters relating to the proper utilization of human resources within the Company, with a special focus on management succession, development and compensation.

The Compensation Committee:

- reviews and makes recommendations to the Board at least annually regarding the Company's remuneration and compensation policies, including short and long-term incentive compensation plans and equity-based plans, bonus plans, pension plans (if any), executive stock option plans (including the Stock Option Plan), and grants and benefit plans;

Other Board Committees

In addition to the Audit Committee, the Company has established the Nominating Committee, the Compensation Committee and the Health, Safety, Environment and Community Committee. The Health, Safety, Environment and Community Committee is composed of Neil Burns (Chair), Sam Leung and Robert Bruggeman. Messieurs Burns and Leung are considered independent (as defined in NI 52-110). Mr. Bruggeman, as the President and CEO of the Company, is not considered independent (as defined in NI 52-110). The main function of the Health, Safety, Environment and Community Committee is to review and make recommendations, as appropriate, in regards to the Company's safety and health programs and performance, environmental management programs and compliance, and social initiatives in communities where the Company conducts its business.

Assessments

The Board does not consider formal assessments useful given the stage of the Company's business and operations. However, the chairman of the Board meets annually with each director individually, which facilitates a discussion of his contribution and that of other directors. When needed, time is set aside at a meeting of the Board for a discussion regarding the effectiveness of the Board and its committees. If appropriate, the Board then considers procedural or substantive changes to increase the effectiveness of the Board and its committees. On an informal basis, the chairman is also responsible for reporting to the entire Board on areas where improvements can be made. Any agreed upon improvements required to be made are implemented and overseen by the Nominating Committee. A more formal assessment process will be instituted as, if, and when the Board considers it to be necessary.

- (a) The Board may from time to time, suspend, terminate or discontinue the Plan at any time, or amend or revise the terms of the Plan or of any Option granted under the Plan and any Certificate relating thereto, provided that no such suspension, termination, amendment or revision will be made:

- (i) except in compliance with applicable law and with the prior approval, if required, of the Stock Exchange or any other regulatory body having authority over the Corporation, the Plan or the Shareholders; and

 - (iii) any individual stock option grant that would result in the number of Common Shares issued to any individual in any twelve (12) month period under this Plan exceeding five percent (5%) of the issued Common Shares of the Corporation, less the aggregate number of shares reserved for issuance or issuable under any other Share Compensation Arrangement of the Corporation; and

- (b) No Option shall be granted, and no Common Shares issued hereunder, where such grant, issue or sale would require registration of the Plan or of Common Shares under the securities laws of any foreign jurisdiction, and any purported grant of any Option or purported issue of Common Shares hereunder in violation of this provision shall be void.
- (c) The Corporation shall have no obligation to issue any Common Shares pursuant to the Plan unless such Common Shares shall have been duly listed, upon official notice of issuance, with the Stock Exchange. Common Shares issued and sold to Participants pursuant to the exercise of Options may be subject to limitations on sale or resale under applicable securities laws.
- (d) If Common Shares cannot be issued to a Participant upon the exercise of an Option due to legal or regulatory restrictions, the obligation of the Corporation to issue such Common Shares shall terminate and any funds paid to the Corporation in connection with the exercise of such Option will be returned to the applicable Participant as soon as practicable.

Notwithstanding any other provision contained herein, in connection with the exercise of an Option by a Participant from time to time, as a condition to such exercise (i) the Corporation shall require such Participant to pay to the Corporation or the relevant Subsidiary Company an amount as necessary so as to ensure that the Corporation or such Subsidiary Company, as applicable, is in compliance with the applicable provisions of any federal, provincial or local law relating to the withholding of tax or other required deductions (the “**Applicable Withholdings and Deductions**”) relating to the exercise of such Options; or (ii) in the event a Participant does not pay the amount specified in (i), the Corporation shall be permitted to engage a broker or other agent, at the risk and expense of the Participant, to sell an amount of underlying Common Shares issuable on the exercise of such Option through the facilities of the Stock Exchange, and to apply the cash received on the sale of such underlying Common Shares as necessary so as to ensure that the Corporation or the relevant Subsidiary Company, as applicable, is in compliance with the Applicable Withholdings and Deductions relating to the exercise of such Options. In addition, the Corporation or the relevant Subsidiary Company, as applicable, shall be entitled to withhold from any amount payable to a Participant, either under this Plan or otherwise, such amount as may be necessary so as to ensure that the Corporation or the relevant Subsidiary Company is in compliance with Applicable Withholdings and Deductions relating to the exercise of such Options.

The grant of an Option to, or the exercise of an Option by, a Participant under the Plan does not create the right for such Participant to receive additional grants of Options hereunder.

2.2 Exercise Price

- (a) An Option may be exercised at a price (the “**Exercise Price**”) that shall be fixed by the Board at the time that the Option is granted, but in no event shall it be less than the Market Price. The Exercise Price shall be subject to adjustment in accordance with the provisions of Section 1.4(d) hereof.
- (b) if Options are granted within ninety (90) days of a distribution (the “**Distribution Period**”) by the Corporation by prospectus, the minimum exercise price per Common Share of those options will be the greater of the Market Price and the price per Common Share paid by the

2.3 Exercise of Options

- (a) The period during which an Option may be exercised (the “**Option Period**”) shall be determined by the Board at the time the Option is granted, subject to any vesting limitations that may be imposed by the Board in its sole and unfettered discretion at the time such Option is granted, provided that:
 - (i) no Option shall be exercisable for a period exceeding ten (10) years from the date the Option is granted;

In addition, in the event of an actual or potential Change of Control Event, the Board, or any company which is or would be the successor to the Corporation or which may issue securities in exchange for Common Shares upon such Change of Control Event becoming effective, may in its discretion, without the necessity or requirement for the agreement of any Participant, issue a new or replacement options over any securities into which the Options are exercisable, on a basis proportionate to the number of Common Shares underlying such Option and at a proportionate Exercise Price (and otherwise substantially upon the terms of the Option being replaced, or upon terms no less favourable to

the Participant) including, without limitation, the periods during which the Option may be exercised and expiry dates; and in such event, the Participant shall be deemed to have released his or her Option over the Common Shares and such Option shall be deemed to have lapsed and be cancelled.

- (d) Notwithstanding any other provision of this Plan, in the event that:
 - (i) an actual or potential Change of Control Event is not completed within the time specified therein; or
 - (ii) all of the Common Shares subject to an Option that were tendered by a Participant in connection with an actual or potential Change of Control Event are not taken up or paid for by the offeror in respect thereof,

then the Board may, in its discretion, without the necessity or requirement for the agreement of any Participant, permit the Common Shares received upon such exercise, or in the case of Subsection (ii) above the Common Shares that are not taken up and paid for, to be returned by the Participant to the Corporation and reinstated as authorized but unissued Common Shares and, with respect to such returned Common Shares, the related Options may be reinstated as if they had not been exercised and the terms for such Options becoming vested will be reinstated pursuant to this Section 2.3. If any Common Shares are returned to the Corporation under this Section 2.3, the Corporation will immediately refund the Exercise Price to the Participants for such Common Shares.

- (e) Options shall not be transferable or assignable by the Participant otherwise than by will or the laws of descent and distribution, and shall be exercisable during the lifetime of a Participant only by the Participant and after death only by the Participant's legal representative.
- (f) Provided that the Common Shares are listed on the TSXV, if the Participant is a company, including a Consultant Company, the company shall not be permitted to effect or permit any transfer of ownership or option of shares of the company nor to issue further shares of any class of the company to any individual or entity as long as the options remain outstanding, except where the written consent of the TSXV has been obtained.
- (g) Subject to Section 2.3(a) and except as otherwise determined by the Board:
 - (i) if a Participant who is a non-executive director of the Corporation ceases to be an Eligible Person as a result of his or her retirement from the Board, each unvested Option held by such Participant shall automatically vest on the date of his or her retirement from the Board, and thereafter each vested Option held by such Participant will cease to be exercisable on the earlier of the original Expiry Date of the Option and one (1) year after the date of his or her retirement from the Board;
 - (ii) if the Board service, consulting relationship, or employment of a Participant with the Corporation or a Subsidiary Company is terminated for Cause, each vested and unvested Option held by the Participant will automatically terminate and become void on the Termination Date;
 - (iii) if a Participant dies, the legal representative of the Participant may exercise the Participant's vested Options for a period until the earlier of the original Expiry Date of the Option and twelve (12) months after the date of the Participant's death, but only to the extent the Options were by their terms exercisable on the date of death. For greater certainty, all unvested Options held by a Participant who dies shall terminate and become void on the date of death of such Participant;

- (iv) if a Participant ceases to be an Eligible Person for any reason whatsoever other than in (i) to (iv) above, each vested Option held by the Participant will cease to be exercisable on the earlier of the original Expiry Date of the Option and six (6) months after the Termination Date; provided that all unvested Options held by such Participant shall automatically terminate and become void on the Termination Date of such Participant. Without limitation, and for greater certainty only, this provision will apply regardless of whether the Participant received compensation in respect of dismissal or was entitled to a period of notice of termination which would otherwise have permitted a greater portion of the Option to vest with the Participant; and
- (v) notwithstanding any provision in this Section 2.3(g) to the contrary, if a Participant who is an officer of the Corporation ceases to be an Eligible Person as a result of such officer's termination without Cause or resignation for Good Reason, any unvested Options as of the date of termination will be accelerated and become immediately fully vested as of such date. - (i) In lieu of the Exercise Price of each Common Share underlying an Option being paid in cash, the Option may be exercised, except Options granted to persons performing Investor Relations Activities, at the discretion of the Option holder and only with the written permission of the Board, by a "**Net Exercise**" whereby the Option holder will receive only the number of Common Shares underlying the Option that is the equal to the quotient obtained by dividing:
 - (i) the product of the number of Options being exercised multiplied by the difference between the VWAP of the underlying Common Shares and the exercise price of the subject Options by
 - (ii) the VWAP of the underlying Common Shares.

In the event of a Net Exercise, the number of Options exercised, surrendered or converted, and not the number of Common Shares actually issued, must be included in calculating the limits set forth in Section 1.5, Section 1.6(e)(i), Section 1.6(e)(ii) and Section 1.6(e)(iii).

- (j) Upon the exercise of Options pursuant to this section, the Corporation shall forthwith deliver, or cause the registrar and transfer agent of the Common Shares to deliver, to the relevant Participant (or his or her legal or personal representative) or to the order thereof, a certificate representing the number of Common Shares with respect to which Options have been exercised.
- (k) Subject to the other provisions of this Plan and any vesting limitations imposed by the Board at the time of grant, Options may be exercised, in whole or in part, at any time or from time to time, by a Participant by written notice given to the Corporation as required by the Board from time to time.
